To me, Hermione is meaningful because she shows you can be smart, yet still be powerful. Some people might think, *Oh, if you're smart that basically means you have no life and you're a teacher's pet, all that jazzy stuff*. But Hermione proves you wrong. She shows you that as long as you have what it takes, you're in.

She also shows you that you can be powerful and pretty. Yet again, some people might think, *Oh, if you're pretty that means you spend hours in front of your mirror doing your hair, and you can't do anything besides standing in front of your mirror*. That's where Hermione proves you wrong. Just because you're pretty doesn't mean you're incapable of having a life! It doesn't mean you're shallow, or anything like that! It doesn't mean you have "an emotional range of a teaspoon".
